

HAPPENINGS OF SOUTH SCRANTON

Its a Case of Too Much Matrimony With William Davis.

HELD IN BAIL IN THE SUM OF \$2,000 BY ALDERMAN LENTES TO ANSWER CHARGES OF PERJURY AND BIGAMY-CONSTABLE WOOLKERS IS THE PROSECUTOR-SCRANTON ATHLETIC CLUB HAS DECIDED TO CONDUCT AN EXCURSION TO HARVEY'S LAKE.

William Davis, a young man whose home was until recent years at Tunkhannock, was arrested before Alderman Lentes last evening on the charges of bigamy and perjury, preferred by Constable Joseph Woelkers of the Eleventh ward. He was held in \$2,000 bail which was furnished last evening by his brother-in-law, Jacob Geier.

The affair is an interesting one, it being the third time Davis has been arrested on the charge of bigamy. About six months ago Grace Smith, who claims she was married to him at Tunkhannock two years ago, had a warrant issued for Davis. He was held to bail, but before the sitting of the grand jury, an agreement was made between Davis and his wife, Grace Smith, and she did not appear and the case was ignored. Until recently he was permitted to live with his second wife, who was a Miss Bonner, of Nicholson. They were married a year ago by the same clergyman and at the same place he took Miss Smith for better or worse.

Constable Woelkers had a bill against Davis for costs in the first case, and the latter made many promises to liquidate. His word was not fulfilled and with the consent of Mrs. Davis No. 1, Mr. Woelkers had a warrant issued Monday for the arrest of Davis on the charge of bigamy. He was arraigned for a hearing yesterday before Alderman Lentes and Attorney M. J. Donahoe, acting for Davis, raised the point that his client was charged with an offense alleged to have been committed in Wyoming county, it was out of the jurisdiction of a magistrate in another county to issue a warrant for the arrest, hence the dismissal of the second charge of bigamy. The constable was not to be outdone and he post haste went to Wyoming's county seat and had warrants issued for perjury and bigamy. He was in the city again at supper, and served the warrants and took his prisoner to Alderman Lentes' office again. John F. Scrogg was present for Woelkers and Attorney Donahoe appeared for Davis. Davis waived a hearing and bail was demanded in the sum of \$2,000.

Mr. Geier, who was present to qualify as bondsman, was staggered when he heard the amount required. He was not prepared to meet the demand. Later bail was entered before Alderman Kasson in the central city. Two weeks ago Davis commenced proceedings against his first wife for a divorce.

MINOOKA.

The home team will journey to Dunmore grounds Sunday and wrestle for honors with the Lackawannas. The Maroons and the Uniques, of Scranton, will cross bats on Minooka grounds. The excursion committee of the St. Joseph's society met last evening. Preparations for the affair are well under way and the event promises to be a success. John Higgins, son of Peter Higgins, will leave today for Camp Alger. Mr. Higgins has enlisted in the volunteer army stationed at that place. He is the ninth recruit from this place in one week. The funeral of Thomas Kearney, whose death is mentioned in another column, will take place Sunday. Interment will be made in Minooka Catholic cemetery.

JERMYN AND MAYFIELD.

What might have been a very serious accident occurred on Rushbrook turnpike, a short distance above the toll-gate, last Thursday night about 9 o'clock. Burgess H. A. Williams and Mr. C. F. Baker had been at East Benton attending the instruction of Willow Lake boys, No. 85, E. O. P. As they were returning home, when they had reached the above-named point in the road, which is at the brow of a steep pitch, one of the holdback straps on the harness broke, letting the buggy slide against the horse. The frightened animal and she started on a run down the steep hill. Mr. Williams trying all the time to turn her into the bank on the upper side of the road, but the animal refused to obey the reins and dashed down the hill. Mr. Baker seeing that there was no chance of getting the horse under control, jumped from the buggy and sustained some severe bruises and a few scratches, none of which are serious. Mr. Williams clung to the reins as long as possible, but on account of the great speed at which the horse was plunging down the hill and the rough condition of the road, he was thrown from the seat to the bottom of the buggy and from there onto the side of the road, landing heavily on his face. He received some painful cuts and bruises on his face, arms and limbs, but no bones were broken, and nothing serious is anticipated from his injuries. The horse plunged on down the hill and was caught unhurt at the upper end of town.

EYE BADLY INJURED.

Byron Watkins, thirteen years of age, very nearly lost his right eye by an assault made upon him by Thomas Watkins, a member of the "Yellow Kid" gang, of Hennessy court. As it is, the lad is suffering from a very painful wound and until the cut heals, he may have trouble to save his sight. It seems that about fifteen lads, whose ages range from 10 to 15 years, have a fairly well organized "gang," as they call themselves, and go among their own friends as the "Yellow Kids." Last evening there was a meeting and about 9 o'clock the boys who were present started out on a "trip." They were going up Jackson street above Main avenue. Byron Watkins intended to go along when Tommy Watkins, as a sort of leader, objected and told the other Watkins to "take a sneak." He enforced his fiat by hitting a heavy stone at the dismissed lad, which struck him crosswise of his right eye. He yelled and the other lads ran. Some other boys took the injured lad to Doctor Carroll's office nearby and his wound was dressed.

NEW CULM WASHERY.

Nothing further than the delivery of part of the material upon the ground has thus far been done towards the erection of the new culm washery at the Oxford shaft. It is not definitely known when actual operations towards its erection will be commenced. The clearing up recesses about the site of the burned breaker and washery still continues. The new branch of the Oxford shaft which will run into the new site of the washery is being pushed to completion. The repairs in the hoisting shaft have not yet been completed, but the work of placing the new buntings and carriage guides will be commenced shortly.
